

## Invited Speakers

### Roger Sauvé, DVM

Clinique Vétérinaire St. Louis –  
Embryobec - St. Louis de Gonzague,  
Quebec (Qc)

### Guy Massicotte, DVM

Clinique Vétérinaire St. Louis –  
Embryobec - St. Louis de Gonzague,  
Quebec (Qc)

### Alberto M. Luciano, PhD

UNIMI – University of Milan–Milano (Italy)

### Valentina Lodde, PhD

UNIMI – University of Milan–Milano (Italy)

### Sandro Cavirani, DVM, PhD

Department of Veterinary Medical Science–  
University of Parma – Parma (Italy)

### Iain Martin Sheldon,

### BVSc, DBR, DCHP, PhD, FRCVS

Swansea University, Swansea, (UK)

### Stephen J. LeBlanc, BSc(Agr), DVM, DVSc

Department of Animal and Poultry  
Science, University of Guelph, Guelph,  
ON, Canada

### Giovanni Gnemmi, DVM, PhD, DECBHM

Bovinevet International - Bovine Ultrasound  
Service & Herd Management SL – Huesca (ES)

### Gabriel Bo, DVM, MVSc, DACT, PhD

Instituto de Reproduccion Animal Cordoba  
(IRAC) – (AR)

### Carlos J. Munar, MS, PhD

Munar Y Asociados S.A. – La  
Plata – Bs.As. – (AR)

## Partner Societies:

Società Italiana di Embryo Transfer

Registration fee up to October 1<sup>st</sup> 2019: €250 (incl. VAT and €30 membership fee)

Registration fee after October 2<sup>nd</sup> 2019 and in office: €350 (incl. VAT and €30 membership fee)

One day Registration: €150 (incl. VAT and €30 membership fee)

Payments by bank transfer to:

IBAN : IT55E0301503200000003384480

SWIFT: UNCRITMM

BIC : FEBITM1

Full-time students (certification of student status required) will receive a 50% discount on registration fees.

New graduates (within two years of graduation) will receive a 30% discount on registration fees and free SIET membership for 2019 till 2020.

**For travel and accommodation arrangements: please contact the Organizers**

## II° International Event 28<sup>th</sup> Annual Meeting

October 10<sup>th</sup> – 12<sup>th</sup> 2019  
Garda – (Verona) – Italy

Garda (VR) – Italy

Poiano Resort \*\*\*\*

Via Poiano, 37016 - Garda VR

## Thursday, October 10<sup>th</sup> - OPU/IVF

- 08:00 am Registered enrollments
- 09:00 am Basics of OPU/IVP on Canadian farms: Selection of donors, hormonal treatments, Ovum Pickup technic and results fresh/frozen embryos will be discussed. (G. Massicotte)
- 10:30 am Coffee Break**
- 11:00 am Considering the economics of In Vitro Embryo Production. What In Vitro can do, that In Vivo cannot? (R. Sauvé and G. Massicotte)
- 01:00 pm Light Lunch**
- 02:00 pm Infectious diseases transmitted through embryos produced in vivo and in vitro (S. Cavirani)
- 03:00 pm Approaches, limits and frontiers of in vitro assisted reproductive technologies in cow (A. M. Luciano)
- 04:00 pm Strategies to improve in vitro embryo technologies efficiency in cattle: the role of media composition (V. Lodde)
- 04:30 pm Coffee Break**
- 04:45 pm Practitioner's Forum  
Comparison between traditional ET and OPU/IVF, how to integrate the two techniques: experience of Argentina (C.J. Munar and G. Bo)
- 06:00 pm Annual meeting of members enrolled SIET

## Friday, October 11<sup>th</sup> – Reproduction/Physio Pathology of the Uterus

- 07:00 am Breakfast Presentation
- 08:00 am Registered enrollments
- 09:00 am Pathogenesis of bovine metritis (I.M. Sheldon)
- 10:30 am Coffee Break**
- 11:00 am Diagnosis of bovine metritis. Comparison of techniques (G. Gnemmi)
- 12:00 am Bovine metritis therapy (S.J. LeBlanc)
- 01:00 pm Light Lunch**
- 02:00 pm Pathogenesis of bovine endometritis (I.M. Sheldon)
- 03:00 pm Diagnosis of sub-clinical and clinical endometritis. Comparison of techniques (G. Gnemmi)
- 04:00 pm Clinical and sub-clinical endometritis therapy (S.J. LeBlanc)
- 05:00 pm Coffee Break**
- 05:30 pm Practitioner's Forum
- 08:30 pm Conference Dinner\*

## Saturday, October 12<sup>th</sup> – MOET/ET

- 07:00 am Breakfast Presentation
- 08:00 am Registered enrollments
- 09:00 am Basics of In Vivo Embryo Transfer in Canadian farms ; focusing on superovulation programs, use of sexed semen, embryo freezing technics, embryo splitting; management. (R. Sauvé)
- 10:30 am Coffee Break**
- 11:00 am Commercial production of embryo in beef cattle (G. Bo)
- 01:00 pm Light Lunch**
- 02:00 pm 30 years of MOET: how to analyze the past to face the future? (C.J. Munar)
- 03:30 pm News in superovulation: may be possible to do a program of superovulation in one day? (G.Bo)
- 04:30 pm OPU/IVF vs MOET: is there still space in the near future for the traditional production of embryos? (C.J. Munar)
- 05:15 pm Coffee Break**
- 05:30 pm Practitioner's Forum
- 06:30 pm End of Works

\* The Conference dinner has an additional cost and the participation is free by reservation

## SIET Practical Short Courses

In light of the excellent feedback generated by the basic superovulation and embryo transfer courses held in recent years, SIET plans to repeat the experience in 2019-20, with the potential addition of an advanced course. However, such courses are subject to reaching the minimum number of participants and finalizing an agenda that meets the needs of tutors and participants. Interested colleagues may email the organizers:

Dr. Davide Bolognini [bologninet@gmail.com](mailto:bologninet@gmail.com)  
 Dr. Giovanni Gnemmi [giovanni.gnemmi@bovinevet.com](mailto:giovanni.gnemmi@bovinevet.com)  
 Dr. Pierluigi Guarneri [gigi@embryovet.it](mailto:gigi@embryovet.it)  
 Dr. Giorgio Morini [giorgio.morini@gmail.com](mailto:giorgio.morini@gmail.com)

## Other Hotel Accommodation

### Hotel San Marco \*\*

Largo Pisanello, 3 - 37016 - Garda (VR)  
 Tel +39 045 7255008

### Hotel Sole Garda \*\*\*

Via Monte Baldo, 9 - 37016 Garda (VR)  
 tel. +39 045 6270222

### Hotel La Perla \*\*\*
